Re: Proposed AM Transmitter at Snowshoe Mountain Resort

Dear Keith,

I am pleased to inform you that our testing of the RangeMaster AM transmitter (FCC Identifier NWXAM1000) you plan on installing at Snowshoe Mountain Resort will not be a source of objectionable interference to the National Radio Astronomy Observatory site at Green Bank, WV.

If I can be of further assistance, please feel free to contact me.

Sincerely,

Wesley A. Sizemore
Technical Specialist I
